

SMOKE is NO JOKE

We were in your neighborhood today for a "Smoke Detector Drive." We have installed and/or checked detectors in the homes of many of your neighbors. The Prairie Township Fire Department is providing this **FREE SERVICE**. The firefighters of Prairie Township would like to help your family stay safe. One way to increase safety is by ensuring that homes have enough smoke detectors in the proper location and that those detectors are functioning. Smoke detector installations and home inspections are just two of the non-emergency services offered by the Prairie Township Fire Department. Appointments can be made by calling the Fire Department at 614-878-7100. There is no charge for these services.
